## LANGUAGES

French: native

English and spanish: fluent, C1  
minimum

Italian: fluent (conversation, B2)

German: basic (B1.1)

Japanese: basic (A2)

## EDUCATION BACKGROUND

### 2019 : FULL STACK WEB DEVELOPMENT COURSE

#### SPICED ACADEMY BERLIN

- Worked with HTML, CSS and Javascript. Created interactive UI widgets and animations using native browser APIs as well as the jQuery library.
- We learned about server-side programming with Node.js and how to generate dynamic web pages using third party APIs. We made projects using Vue, React, Express, express handlebars, and much more. See curriculum here.
